## More info

Having a cordless mouse feeling with a corded mouse sounds impossible, but isn't. SteelSeries Cordholder is making it happen. By placing your cord in the hatch the cord can't slip, won't pull the mouse off of the table anymore and will never get in your way.

\* Keeps the mouse cord away from the action

April 2007

60001

Cordholder

\* Stainless steel

A wired ball, laser or optical mouse.
