

steelseries GLIDE IKARI

Product description

The SteelSeries Glide Ikari is a set of replacement mousefeet for the SteelSeries Ikari Laser and Optical gaming mice. To reduce friction, enhance glide and improve accuracy, we recommend that you replace your mousefeet whenever they look or feel worn out. The SteelSeries Glide Ikari are made from high quality gaming grade Teflon, which is arguably the lowest coefficient of friction in the world. This is what makes the material perfect for gaming.

Special features

- * Friction, glide and accuracy refreshed
- * Easy to apply

Availability date

March 2008

Part number

60009

Package contents

Glides, instructions

Technical specifications

0,5 mm teflon compound with adhesive side

System requirements

SteelSeries Ikari Laser or Optical.
