

steelseries MERC

Product description

The SteelSeries Merc gaming keyboard features 34 dedicated gaming terrain keys, making it easier and more intuitive than ever to walk, run, jump, crouch and move directionally in games. The gaming terrain keys, tilted at an 11° angle, are ergonomic and comfortable even during long gaming sessions.

Special features

SteelSeries Merc supports simultaneous keystrokes and features a number of hotkeys for multimedia, navigation and other one-click controls. All keys on the keyboard can be programmed with the powerful SteelSeries Z Engine software, allowing for programmable keys and easy to use drag-and-drop macro creation.

Availability date

April 2009
