

**Product description**

SteelSeries S&S – by gamers, for gamers. This mouse pad offers unprecedented control and accuracy allowing the user to perform minimal and extremely precise movements. The surface is made of specially responsive plastic compound and the back side features small soft rubber elements offering non-slippery steadiness. The highly durable surface obtains increasing durability and offers a consistent glide experience that will even improve over time. The SteelSeries S&S comes with a protective sleeve to protect the mouse pad during transportation to and from LAN-events.

**Special features**

- \* Highly durable
- \* Unprecedented accuracy
- \* Protection sleeve for safe transportation

**Availability date**

July 2007

**Part number**

63001

**Package contents**

Mouse pad, protection sleeve, SteelSeries Glide MS

**Technical specifications**

Dimensions: 270 x 320 x 2 mm / 10,7 x 12,7 x 0,08 in
