

steelseries
SX

Product description

SteelSeries SX offers a truly unique and smooth gliding experience. The surface is amazingly responsive and precise thanks to fiber polished aluminum and anodized oxide coating. The surface is quiet to use thanks to a rubber base which absorbs noise and vibrations and is optimized for both optical and laser mice technologies. During development and testing, the professional Counter-Strike players in Team NoA described SteelSeries SX as "the purest form of glide in the world".

Special features

- * Extremely smooth mousepad
- * Lifelong durability thanks to coated aluminum
- * Compatible with gaming grade optical and laser

Availability date

May 2007

Part number

63019

Package contents

Mouse pad, SteelSeries Glide MS

Technical specifications

Dimensions 270 x 320 x 2 mm / 10,6 x 12,6 x 0,1 in

System requirements

Gaming grade ball, laser and optical mice.
