

steelseries SIBERIA IN-EAR HEADPHONE

Product description

Designed for a multitude of uses including MP3-players, laptops, Sony PSP and other portable consoles. These award winning earphones efficiently isolate sound allowing low volume settings to be used in noisy environments. To ensure maximum comfort the earphones can be adjusted by using one of the two ear-pieces supplied with it to fit your ear comfortably and passively reduce background noise.

Special features

- * Rich sound experience
- * Passively reduce background noise
