

steelseries ZBOARD LIMITED EDITION

Product description

This limited edition SteelSeries Zboard (WotLK) is a unique gaming keyboard featuring the ability to adapt for any game through removeable keysets. The "anti-ghosting" feature allows for 7 simultaneous keystrokes opposed to the industry standard of 2-4 simultaneous key presses found on other keyboards. The entire keyboard can be fully customized through the use of the powerful SteelSeries Z Engine software, which enables macros to be dragged and dropped onto specific keys. The SteelSeries Zboard is equipped with 2 USB ports and includes a standard keyset for everyday use, plus the specially developed gaming keyset for World of Warcraft® expansion, Wrath of the Lich King™.

Special features

- * Specially designed World of Warcraft® keyset included
- * Anti-ghosting capability: Up to 7 simultaneous keystrokes
- * SteelSeries Z Engine allows full customization of each key
- * One-touch macros for raiding and PvP gameplay
- * Internal hub with 2 USB ports

Availability date

November 2008
